Overview

- **Spoken Languages:** Spanish (Native), English (Fluent)
- **Soft Skills:** Highly motivated and organized professional with excellent communication and interpersonal skills.
- **Technical Skills:**
 - **Programming Languages:** Java, **Python**, C++, JavaScript, PHP
 - **Python Libraries:** Pandas, NumPy, Matplotlib, Scikit-learn, TensorFlow, Keras, NLTK, spaCy, Flask
 - **JavaScript Tools:** React.js, Node.js, Express.js, Vue.js
 - **Machine Learning:** Supervised and Unsupervised Learning, Deep Learning, **Natural Language Processing (NLP)**, Computer Vision, Recommender Systems, TensorFlow, PyTorch, Hugging Face, Transformers, GPT-3
 - **Tools:** Linux, Git, GitHub, Docker, AWS, GCP, Jupyter Notebooks, VS Code
 - **Methodologies:** Agile, Scrum, Kanban, Test-Driven Development (TDD), Behavior-Driven Development (BDD), Continuous Integration/Continuous Deployment (CI/CD)

Education

- **(M.Sc.) Computer Science** ABC University Los Angeles, USA, 08/2021–05/2023
 - Specialized in Machine Learning and Data Science, with coursework in Deep Learning, Natural Language Processing, and Computer Vision. Completed a capstone project on predicting stock prices using a recurrent neural network (RNN) and achieved an accuracy of 85
 - Participated in several hackathons and coding competitions, winning first place in a university-wide coding challenge in 2022.
- **(B.Sc.) Computer Science** XYZ College San Francisco, USA, 09/2017–05/2021
 - Worked on a team to develop a mobile application for a local charity organization, using Java and Android Studio.
 - Completed coursework in Data Structures, Algorithms, Object-Oriented Programming, and Web Development.
 - Participated in a study abroad program at the University of Tokyo, Japan (Spring Semester, 2020).

Employment History

- **Marketing Assistant** (Part-time, Onsite) XYZ Company New York, USA, 06/2021–08/2021
 - Assisted the marketing team in conducting market research and analyzing customer feedback to develop effective marketing strategies.
 - Assisted in managing the company's social media accounts, creating content, and scheduling posts.
